

JJ needs your help

Activity sheet – JJ needs your help

This request was spotted on a homework help website.

The screenshot shows a forum post on HomeworkHelp.co.uk. The post is dated Tuesday, June 19, 2007, and is titled "Help, help, help....". The user JJ asks for help with a homework assignment about the Greenhouse Effect, expressing concern about receiving a D grade and being grounded. The post was published at 12:50 and has 0 replies.

Your task is to write a reply to guide JJ through the homework. This needs to include:

- ✓ causes
- ✓ effects

Choose one of the methods below to write your response.

- letter
- bullet points
- table
- spider diagram
- mind map
- lyrics for a song
- poem
- text message

It would be helpful if you could advise JJ of a website or textbook which may be helpful for further research on this topic.
